

VILLA SOLANGE

FAMILY

MYKONOS

Bedrooms: 9

Bathrooms: 9

Guests: 18

Villa Solange is a newly constructed property at the area of Pouli. This minimal chic villa blends in with the local architecture while plays artistically with the elements of stone, lights and design. The villas' distinctive touch is the pistachio green shutters and the old fashion blinds, enhancing the overall feel of a fresh and homey. The light wooden floors, the white celebration in the choice of fabrics and furniture enhance the island's lifestyle and aura.

The bedrooms are all en-suite and located in various levels, ensuring space and privacy, especially for large group of friends or families. The main gatherings areas are the open space lounge areas, including dining areas and the kitchen. Outdoors, the infinity pool is at center stage, while the sunbathing chairs are inviting guests to relax and gaze at the Aegean, the inhabitant island of Rhenia and the island of Delos.

Villa Solange is beyond expectations...

For larger groups can be rented in combination with Villa Delos.
