Blossoming flowers paint the landscape fuchsia, yellow, red and white, with the outdoor area boasting gracefully arranged lounging and dining spaces.

The infinity swimming pool produces a unique effect with its pebbled edge, while so close to the water's edge, that guests have a beyond spaces feeling of swimming in the sea. Three beautiful secluded beaches are conveniently located only minutes away from the villa.

The Villa's living room is beautifully arranged, with elegant white sofas and handpicked wooden furniture, while a spacious dining room adds to an aura of order.

The rooms play with exposed beam ceilings, coloured in pastel, the white fabrics and decapè side tables softening the effect and creating an environment of tranquility. The bathrooms display playful compositions of blue and yellow, some of their built in elements reverberating traditional craftsmanship.
