Luxury and class at its finest. Villa Selene, with its cutting-edge design and meticulously thought through interior space is a two storey villa that can house six guests. Enjoy the unique surroundings from within the ambient lounge and comfortable sun flooded open plan living space on the lower floor, to preparing sumptuous meals in the high-tech kitchen with produce picked straight from the organic garden.

Villa Selene's two separate bedrooms with stone features and vast storage space lie side by side on the ground floor both with direct access to the pool, deck and garden. The bedroom consists of two areas, one with a king size bed while the other one with a spacious wardrobe, bathroom with WC and craftily designed marble paneled en-suite Jacuzzi bathtub that resembles a continuation of the outdoor olive trees.
