

VILLA MATILDE

FAMILY

CRETE

Bedrooms: 4

Bathrooms: 5

Guests: 10

Villa Matilde is a 5-star luxury villa overlooking the bay of Chania in Crete and embraces the sea like no other in the area. It is one of the very few to offer direct access to the sea over a private pathway leading to the rocky coastline (see pictures in gallery). Designed by a sea lover, 3 of the 4 master bedrooms and both living rooms assure breathtaking panoramic views over the turquoise bay.

From the minimalistic architecture to the quality of the construction and the exclusive interior design and furniture, no compromise has been made. This luxurious villa is clearly the ideal retreat for a demanding clientele, as it has primarily been designed as the lifetime dream of its owner, not as a rental estate. Enjoy a cold drink on one of the terraces, dive into the warm water of the infinity pool or simply relax on the "dream area" halfway down to the sea. If you prefer the fresh sea to the cozy pool, take the rocky pathway to the sea and enjoy a salty swim in complete privacy.

Dine on the terrace and enjoy nothing else than some tasteful local wine, the gentle sound of the waves and the romantic sunset... apart of course from the valued company of your family or friends.
