

VILLA LAURETTA

FAMILY

CRETE

Bedrooms: 3

Bathrooms: 4

Guests: 10

Villa Lauretta is a recently renovated oil press and stands out for its unique style and aesthetics. Rustic on the outside, country chic on the inside, this characterful estate has recently been given a new lease of life as a luxury private retreat for families or group of friends looking to discover pure Cretan philoxenia. Immerse love and care has been lavished on this ancient property and the careful restoration was carried out with full respect to the place's original architecture and spirit.

The interior enhances an ambience of tranquility and offers various lounge and dining areas for privacy or get togetherness. The choice of colors, fabrics and furniture blends in harmoniously with the local architecture and elevates the balance between the old and the new. The bedrooms are all suites, spacious with private living spaces. The outdoor area is unfolded in a large estate with olives and local trees while the blissful chill out old pool is set at the center scene.
